Location is everything

The resort is perfectly located close to all important amenities and landmarks of this peaceful tropical locale. Cayman Villas is within walking distance of the three icons of Port Douglas – the Marina where Great Barrier Reef cruises depart is 400 metres, spectacular Four Mile Beach is only 200 metres and the cosmopolitan main thoroughfare of Macrossan Street is a short stroll of 150 metres.

Relaxation and fun - there's something for everyone in Port Douglas. Romantic strolls along the stunning, palm-fringed Four Mile Beach, relaxing moments in street side cafes, fine dining in first class restaurants, surprising shopping experiences in unique boutique shops, quiet contemplation in art galleries - and of course, amazing discoveries along the Daintree River and inside Queensland's crown jewel, the spectacular Great Barrier Reef.
